

TOWN OF HOPKINTON, NEW HAMPSHIRE

REQUIREMENT AND CONDITIONS FOR CERTIFIED PLOT PLANS

POLICY NO. 18

The Town of Hopkinton issues Certificates of Occupancy certifying zoning dimensions only for pertinent building permit applications.

It shall be the Town's policy in the case of a building permit application for new principal structure(s) that indicate placement of the structure denoting a set back line within 10 feet of the applicable set back provision for the defined district, that a "Certified Plot/Plat plan" shall be required prior to the issuance of a Certificate of Occupancy. Certification shall be provided by a licensed engineer, architect, or surveyor per the State of New Hampshire and so marked on all plot plans.
